

ABOUT THIS SERVICE

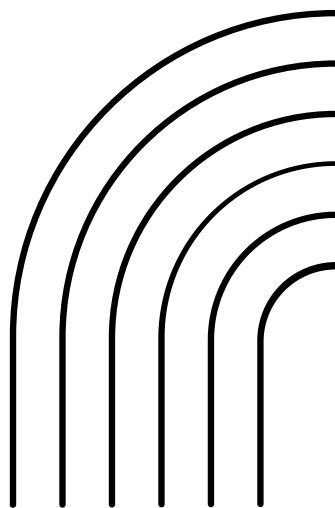

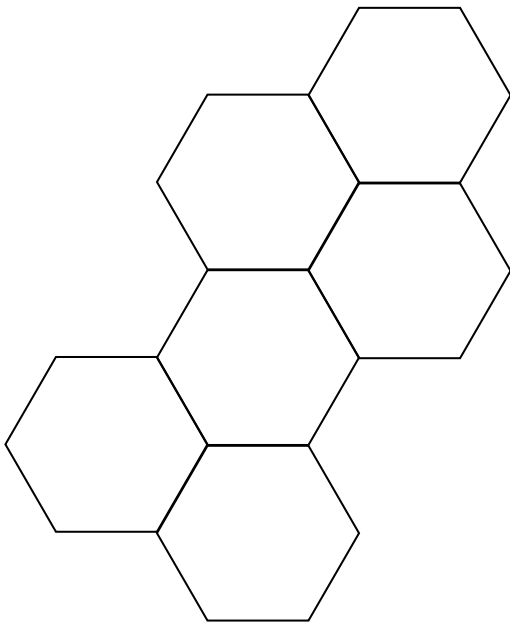

BATHROOM DESIGN

Like kitchens, bathroom renovations also offer a high return on investment, when done right. Square footage is often scarce in bathrooms, so properly configuring all the plumbing is crucial when designing these spaces.

This service includes multiple layout plans, 3D renderings of the proposed space and showroom visits to choose all of your finishing materials such as showers, vanities, faucets tiles etc

INCLUDED IN THIS PACKAGE

- Multiple bathroom layout options
 - Proposed elevations
 - 3D renderings of your new bathroom
 - A VR experience of your new bathroom
 - Showroom visits to source & quote all of the finishes
 - Lighting plan & electrical plan
 - 4 Revisions
-
