

# ABOUT THIS SERVICE

---

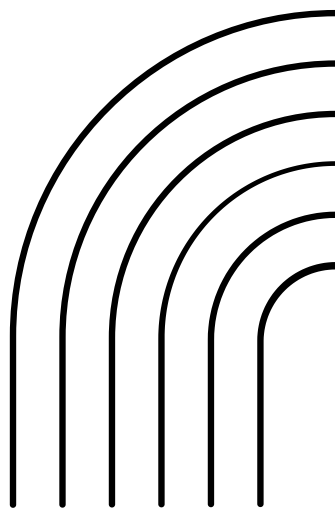

## BASEMENT DESIGN

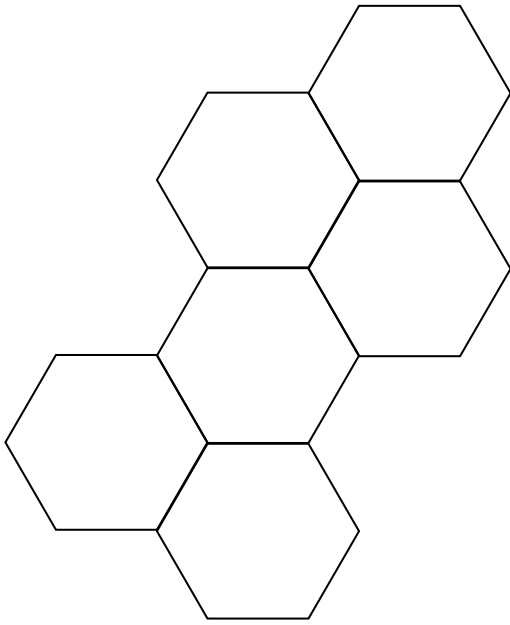

Whether you're ready to transform your unfinished basement into a functional space or desire a stylish remodel for your existing basement, our tailored design package awaits you!

In our approach to basement renovations, we delve into every conceivable configuration to guarantee the selection of an optimal layout.

Our basement design process meticulously considers various constraints, including cost, structure, plumbing, electrical needs, budgetary considerations, and adherence to building codes. Elevate your basement to new heights with a design that balances practicality, aesthetics, and compliance!

## INCLUDED IN THIS PACKAGE

- Multiple space planning layout options
  - Proposed basement final plan
  - Millwork drawings (As needed)
  - A VR experience of your new basement
  - Showroom visits to source and quote all of the finishes
  - Lighting and electrical plans
  - Site visits
  - 4 Revisions
-
