

02 ABOUT THIS SERVICE

GENERAL CONSULTATION

For clients who have already begun renovations and need advice or guidance. Design consultations are on-call, and billed hourly. The goal of this service is for the designer to serve as a guide when making permanent decisions regarding the modification of the space. Clients have access to the designer from Monday to Friday during business hours by phone and email. Clients can book site visits and showroom visits at any time during or before the renos, so long as it is booked in advance.
